ABOUT WELOOP

WeCoop - We Multipurpose Cooperative Society Ltd is a dynamic and member-focused cooperative society established to empower individuals, businesses, traders, artisans, farmers, professionals, women, and youths through collective economic participation, financial inclusion, enterprise support, and sustainable community development.

WeCoop operates on globally recognized cooperative principles built around self-help, mutual assistance, democratic participation, transparency, shared prosperity, and community advancement. The Society serves as a platform where members pool resources together for economic growth, wealth creation, social support, investment opportunities, and access to affordable financial services.

With its head office strategically located in Aba, Abia State, WeCoop is positioned to support members across Nigeria through innovative cooperative solutions, digital services, enterprise partnerships, and community-driven programs.

OUR VISION

To become one of Nigeria's leading multipurpose cooperative societies providing innovative, inclusive, and sustainable economic solutions that improve the quality of life of members and communities.

OUR MISSION

To empower members through cooperative finance, savings, investments, enterprise support, affordable credit facilities, capacity building, and strategic partnerships that promote economic growth and financial stability.

OUR CORE VALUES

Integrity

We uphold honesty, accountability, and transparency in all our operations.

Cooperation

We believe in collective growth through unity and shared participation.

Innovation

We embrace technology and modern cooperative solutions for sustainable development.

Empowerment

We are committed to improving the economic wellbeing of our members.

Excellence

We maintain high standards in service delivery and member satisfaction.

Inclusiveness

We provide equal opportunities for all members regardless of background or profession. training programs.

OUR OBJECTIVES

To encourage savings and investment culture among members.

To provide affordable loans and financial assistance.

To support entrepreneurship and small business development.

To promote agriculture, commerce, trade, and cooperative ventures.

To create employment and wealth generation opportunities.

To facilitate housing, education, and welfare schemes for members.

To foster community development and economic inclusion.

To establish strategic partnerships that benefit members.

To provide financial literacy and business
